Release date: 08.08.2024

Get ready for the ultimate thrill with **Rich Coins Hold and Spin**, the slot game that's taking the casino world by storm! This exciting 3×3 reels slot is all about the coins, with dazzling payouts in the Bonus and Super Bonus Games. Collect various coin symbols like Regular, Sticky, Mini, Minor, Major, Mystery, Mystery Jackpot, and Collect-Coin, each bringing unique values and features. Land 3 coin symbols on the middle row to enter the Bonus Game and aim for the Grand Jackpot of 1000× your bet. With multipliers up to ×3, your winnings can skyrocket! The Super Bonus Game guarantees a Multiplier feature on the first Re-spin, with even greater chances to multiply your winnings. Look out for the Cash Out Cell in the main game, accumulating coin values for impressive payouts after up to 20 sticky spins. The Hill of Gold ensures you never miss out on the Bonus Game by adding necessary coins. Every spin holds the potential for massive wins. Don't miss out on the glittering treasures in this coin-filled adventure. Spin now and let **Rich Coins Hold and Spin** make you a big winner!

## Game Features

### Base Game

3×3 slot, featuring only coin symbols

Payouts occur in the **Bonus** or **Super Bonus** games, or in the main game if there is a win accumulated in the **Cash Out Cell**

### Cash Out Cell

Randomly appears in the main game, staying sticky for 5 to 20 spins

Coin values are accumulated, and paid when the sticky spins end

## Bonus Game

The **Bonus** game activates with 3 coin symbols on the middle row

All main game symbols transfer to the **Bonus** game

Re-spins can have  $\times 2$  or  $\times 3$  multipliers

If all the reels are filled with coin symbols, the **Grand Jackpot** of 1000 $\times$  can be won

## Super Bonus Game

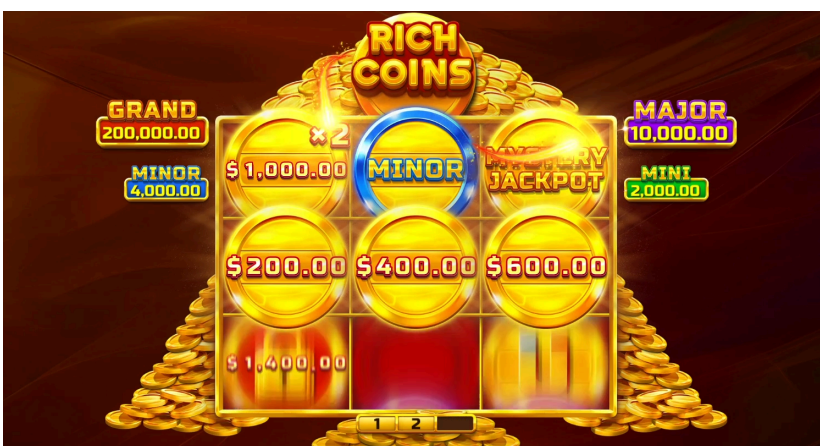

The **Super Bonus** game triggers randomly during the main game

A **Multiplier** is guaranteed on the first **Re-spin**, with higher chances of re-triggering multipliers throughout the game

## Hill of Gold Feature

If there aren't enough coins to trigger the **Bonus** game, the **Hill of Gold** feature can activate, adding the missing coins to the reels

## Multiplier Feature

The **Multiplier** feature triggers randomly during the **Bonus** or **Super Bonus** game, landing on up to 3 positions per Re-spin with values of  $\times 2$  or  $\times 3$

If multiple multipliers land on the same spot, their values add up

Multipliers are applied at the end of the game
