Wild Catch Bonanza

Release date: 25.09.2025

Dive into the world of **Wild Catch Bonanza**, a 5×3 slot full of dynamic features and underwater surprises. With a range of features active across both the main game and Free Spins, every spin offers new possibilities. SCATTER symbols can trigger up to 20 Free Spins, which begin with a pick mini-game offering rewards like extra spins, symbol upgrades, or advanced levels. During Free Spins, WILD symbols collect CASH values and apply multipliers as you progress through the Fisher bars. Each completed Fisher bar unlocks more spins and higher multipliers — up to ×10 and 30 extra spins in total. The Shark feature may randomly replace a symbol with a SCATTER or WILD, depending on the game mode. The Hook feature can reel in the missing SCATTER to trigger Free Spins or drop a WILD into play. During Free Spins, the Fishing Net occasionally transforms regular symbols into CASH symbols. The Nudge feature helps near-miss SCATTER symbols slide into place and retriggers reels for another chance at Free Spins.

Special Symbols

SCATTER symbol lands anywhere in the main game and triggers **Free Spins**

In the main game, they pay by paylines, while in **Free Spins** their values are collected by **WILDs**

3 Fisher bars appear above the reels to track collected **WILD** symbols

Each **WILD** collects all **CASH** values, applies its multiplier (**×2**, **×5**, **×10**), and adds the result to the total win

Every **4th WILD** fills a bar, awards **+10 Free Spins** and upgrades the **multiplier**
