

# Golden Railway Journey

Release date: 12.03.2026

All aboard **Golden Railway Journey**, a 5-reel, 4-row slot that takes you on a high-stakes ride across 25 paylines. In the main game, Wilds help connect winning combinations, while **BONUS** symbols open the door to a dynamic board-style feature. Trigger the bonus game and watch the reels transform into a railway adventure, where a train circles the track collecting valuable coins. Regular and Jackpot coins fuel the journey, offering the chance to land Mini, Minor, Major, and even Grand rewards. With each move, collected values stack up, and the action continues as long as Re-spins remain. Special **BONUS** symbols can extend the train, boost multipliers, attract additional values, or add extra Re-spins — creating powerful momentum throughout the feature. Climb aboard and let **Golden Railway Journey** carry you toward exciting rewards and impressive jackpot potential.
