

STONED RICHES

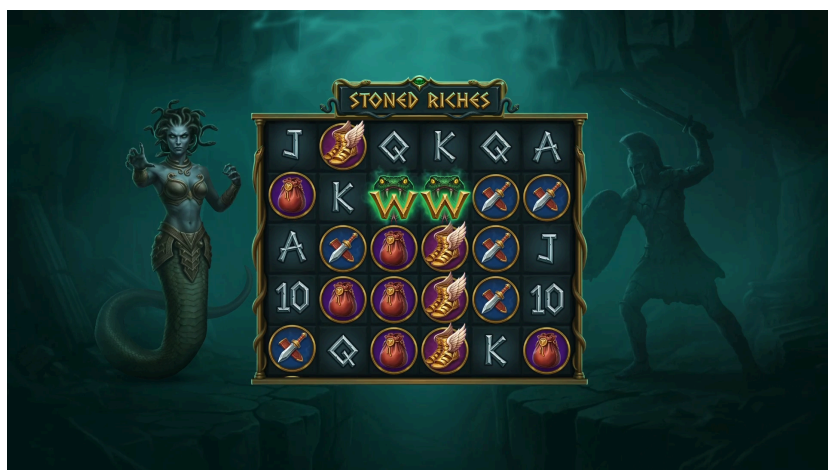

Stoned Riches

Release date: 20.08.2026

Enter Medusa's lair with **Stoned Riches**, a 6-reel and 5-row slot game with 20 paylines. Landing 3 to 6 or more SCATTER symbols on the reels triggers up to 20 Free Spins, with extra SCATTER symbols during Free Spins adding further spins. Every winning line locks its symbols in stone and triggers a Re-spin, keeping the reels active as long as new wins keep forming. The Super symbol can land during a Re-spin to trigger a bonus mini-game, filling locked cells with Coin, Collect, or Multiplier symbols. Coin symbols add up their values, Multiplier symbols boost nearby Coins and Collects within their reach, and Collect symbols gather everything on the field before your payout is made. Spin the reels with **Stoned Riches** and see the riches pile up.
