BLACKJACK DELUXE DBB

Release date: 11.07.2023

Step right up and dive into the exhilarating world of **Blackjack Deluxe BB**! Our latest online six-deck Blackjack game is here to thrill you. The goal is simple: get closer to 21 than the dealer without going over. In our six-deck Blackjack, you have the options to hit, stand, double, split, or surrender. Remember, Aces can count as either 1 or 11, face cards as 10, and number cards at their face value. For an even bigger thrill, try the Double Dark option, where doubled cards are revealed only after all others have been played. You can also try the Surrender option, which allows you to fold your current hand during the round, recovering half of your initial bet and adding a strategic twist to your game. So, what are you waiting for? Place your bets, deal the cards, and see if you have what it takes to beat the dealer in **Blackjack Deluxe BB**!

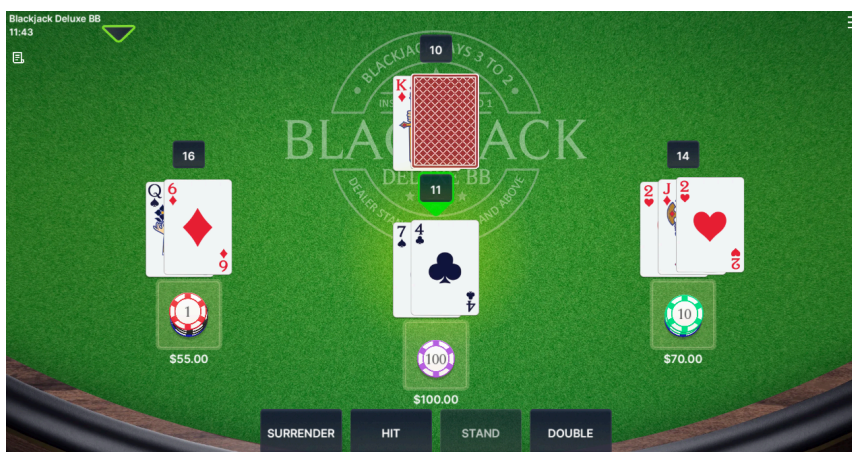

Game Features

WIN

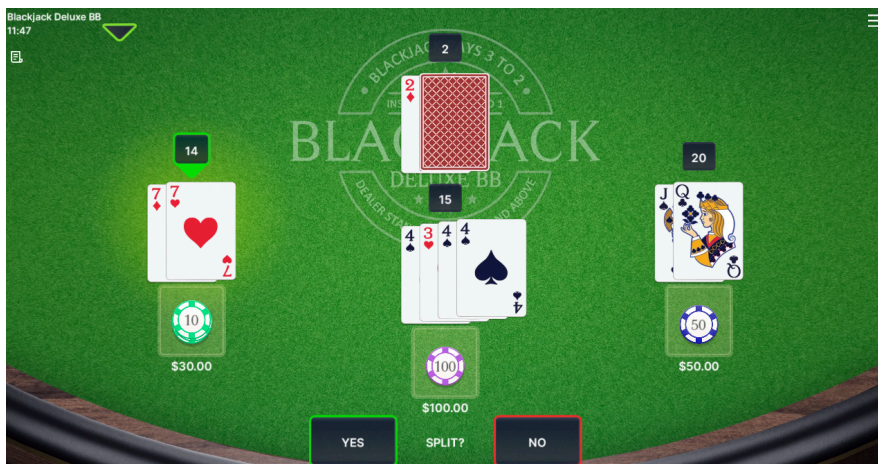

If a player's first two cards' value is **21**, they hit **Blackjack**. **Blackjack** wins any hand, even if the total value of the cards is 21.

Blackjack pays 3:2. The winning hand — 1:1.

DOUBLE

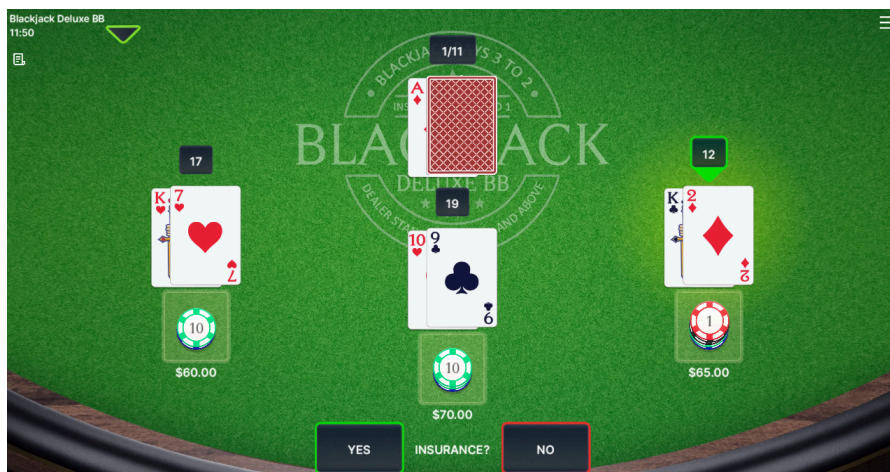

The player can double if the total score of the first two cards is 9, 10, or 11, and the player requests a third card.

SPLIT

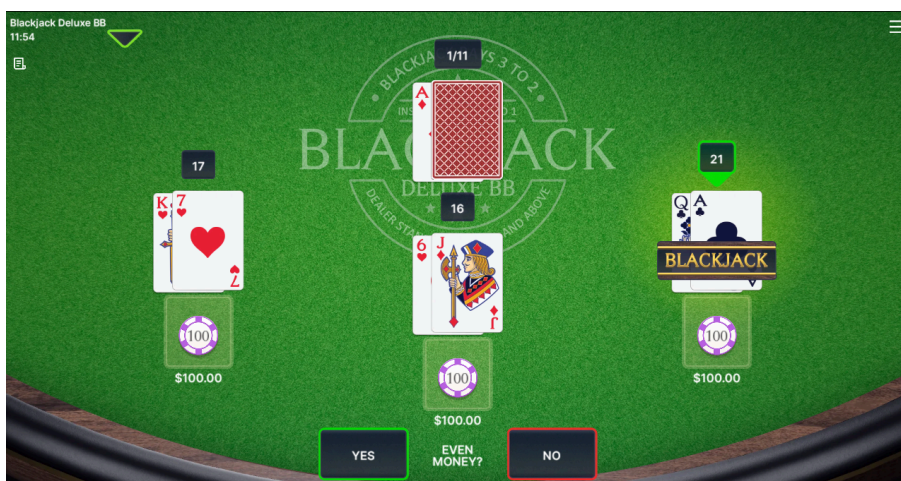

The player can pull apart two cards of the same value, like two sevens, or ten and a Jack, etc. This way, the player gets two hands instead.

The player will get only one additional card per hand if they split two Aces.

INSURANCE

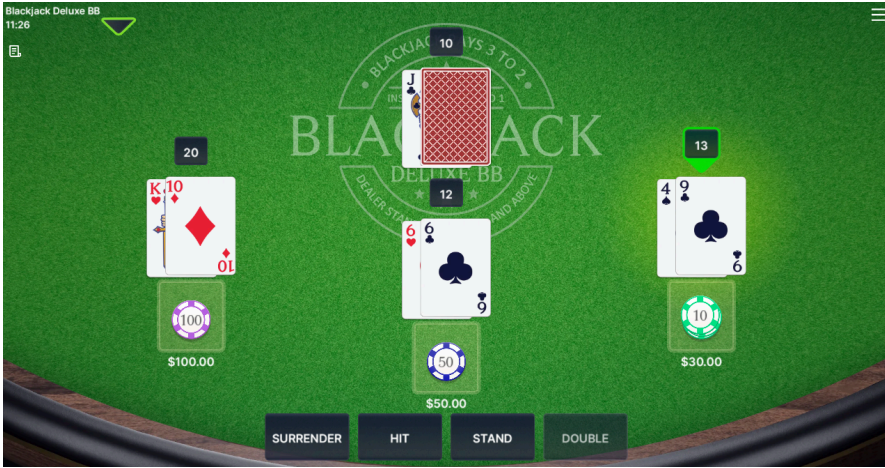

An insurance bet is allowed if the dealer's first card is an Ace. It costs 1/2 the original bet's value. The Insurance bet pays 2:1.

EVEN MONEY

If the combination of cards in the player's hand is **Blackjack**, and the dealer's face card is an Ace, the player is offered Even Money.

If the dealer has **Blackjack**, Even Money protects them from "push". Even Money pays at 1:1.

SURRENDER

If the dealer's first face-up card is not an Ace, the player can surrender after the initial deal. If the player decides to surrender, they fold their hand and receive half of their bet back.
