Game Features

THE BETTING TABLE

The player can seamlessly play the **B3 Roulette** on mobile, desktop or tablet.

All they need to do is place a bet on any of the 37 cells, including a bet on zero, and press Spin.

THE NEIGHBORS TABLE

The player can switch to the racetrack and place some special bets; or place a bet on Tier, Orphans, Zero or Voisins.

THE ROULETTE WHEEL

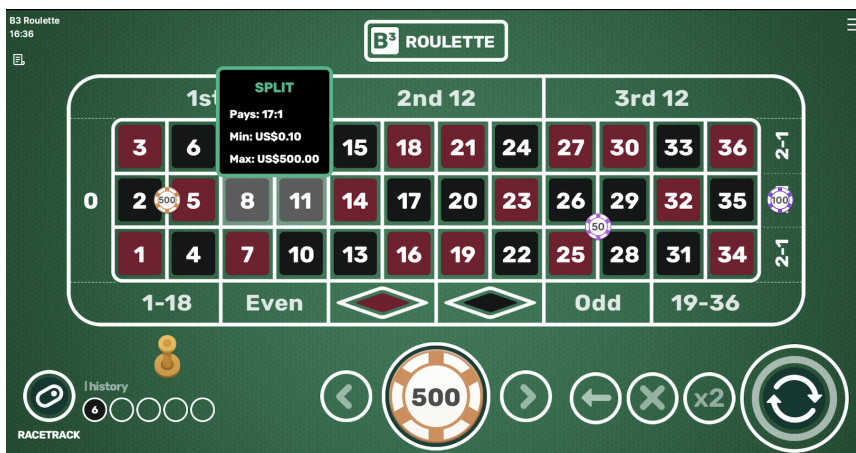

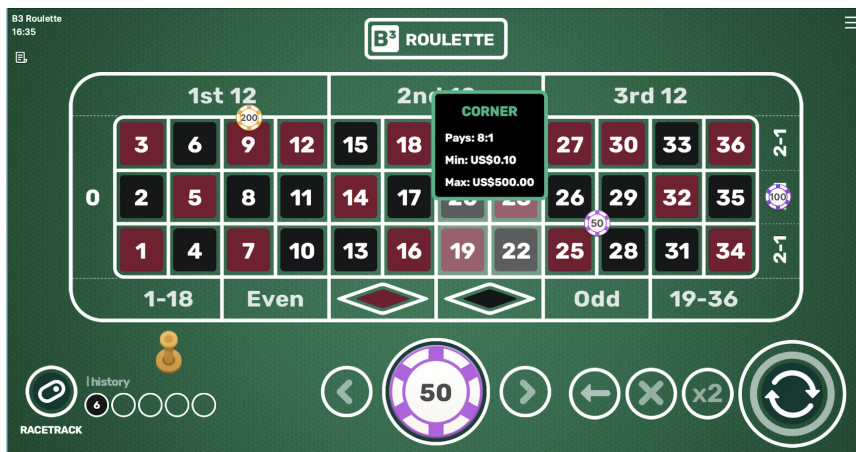

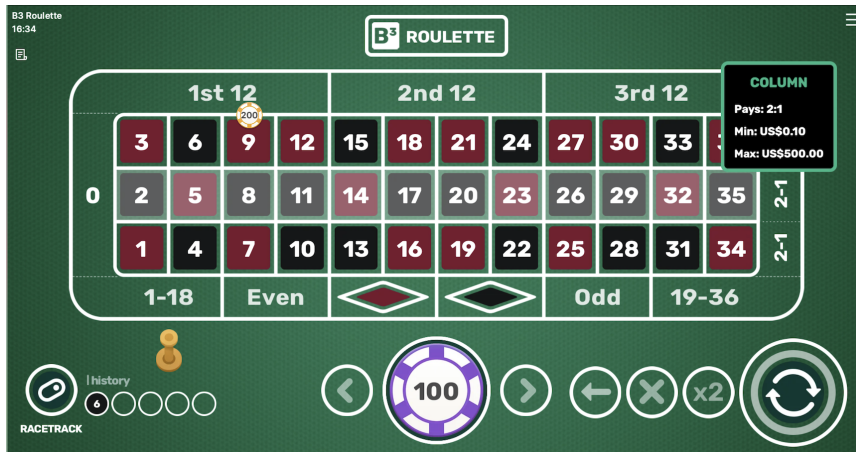

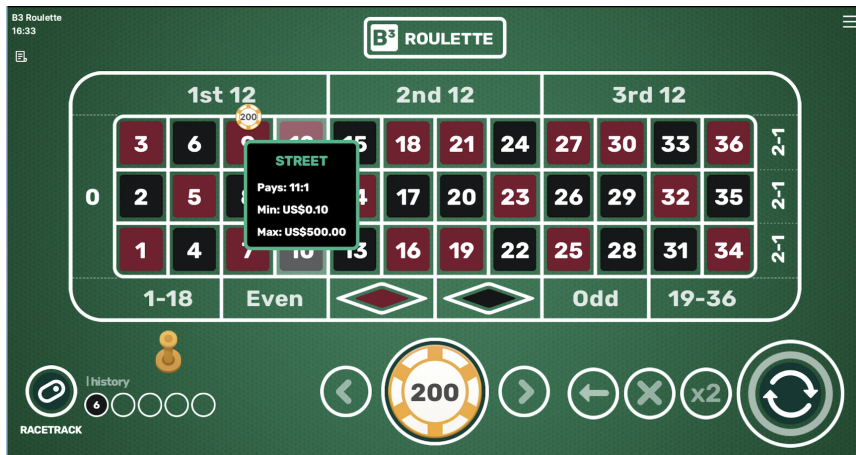

The player should guess which cell the ball will drop after turning the wheel.

If they have bet on the numbered slot the ball landed on, they win a payout.

B³ ROULETTE

BETS

A player may bet on single numbered slots, rows of numbers, or on adjacent numbers. A player also may play colors, odd or even numbers, etc.
