

Doodle Crash

Release date: 06.07.2023

Embark on an exciting adventure with **Doodle Crash** — the latest release from **Barbara Bang!** Guide the adorable purple creature across platforms, increasing your multiplier and winnings with each jump. Choose your field size and place your bet to start. Will you strategically select platforms or leave it to chance? Watch out for the fake platform and avoid crashing. Collect your winnings or keep jumping for bigger rewards. Enjoy the Provably Fair system for transparent gameplay. Take the leap and play now for an exhilarating experience!

Gameplay

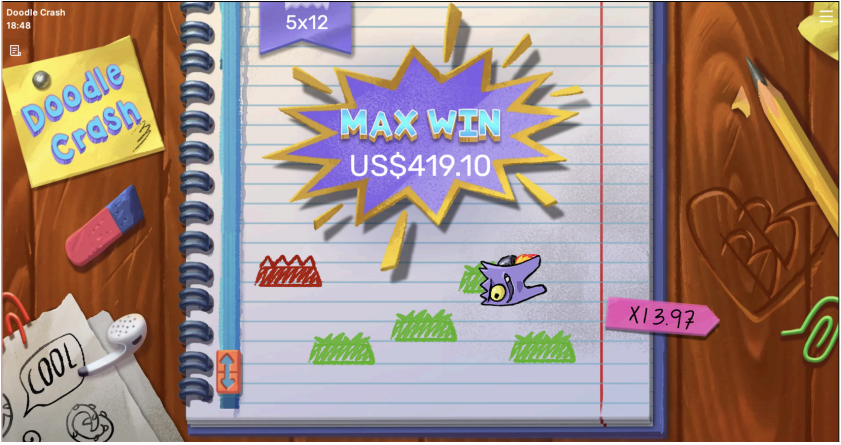

OVERVIEW

Jump the purple creature as high as possible. Each next platform increases the multiplier, and, thus — winnings. If the chosen platform is safe — you won. If you crash — you lose.

BET&FIELD

Choose Field and Bet to start. The bigger the field — the higher the payout.

COLLECT

Collect winnings any time. Or take the risk, jump higher and earn more.
